**+66 917 128702 or +66 917 399536**

The SafeHouse treatment program,  
delivered by fully qualified and  
experienced professionals,  
**includes:**

- Full detox if required
- Comprehensive medical health check
- One-to-one counselling
- Group therapies and psychotherapy
- Physical therapies and acupuncture
- Mindfulness and meditation training
- Regular relaxing excursions
- Lectures and audio-visual presentations
- Acceptance and Commitment Therapy
- Cognitive Behavioral Therapy
- Relapse prevention techniques
- Introduction to self-help groups
- Full aftercare planning

**All delivered to you over one month**  
in our 400 sqm day facility, while you enjoy full board,  
a private one-bedroom condo, on-site facilities such as  
water park, fitness center, steam and sauna, tropical  
gardens and lakeside walkways. It is a very affordable,  
yet potentially life-saving experience. We arrange and  
pay for your return flights, and provide VIP treatment  
for the duration of your stay.
